

Welcome to the Mastering Dev Containers Course!

Dear Attendees,

Tech Train has arrived the station, and we are thrilled to welcome you to the **Mastering Dev Containers** course! We hope that you will find this course informative and engaging. 🚂 📚 🧑 🧑 😊

Before the course begins, we kindly request that you complete the course [prerequisites](#) prior to the first day of the course. This will ensure that you have all the necessary tools and dependencies installed on your machine to participate in the course.

If you have any questions or issues with the installation process, please do not hesitate to reach out to us. We are looking forward to meeting you and working with you throughout the course. If you have any questions or concerns, please do not hesitate to reach out to us.

Best regards,

Ami Hollander
